PROJECTS

Project Title : Home Page for Little Lemon Restaurant

Description: Designed and developed Little Lemon Restaurant's website homepage featuring a navigable menu bar, homepage, and item listing. Showcased seasonal flavors and chef-inspired dishes to enhance user dining experience.

Project Title : Little Lemon Food Menu App

Description : I created a menu dish composable to display the list of items on the food menu. Next,I created a dish details composable to view the details of specific items on the food menu in more detail. Finally, I applied the Little Lemon restaurant theme into my project.

Project Title : Madhu Dairy Delights Website

Description : Developed a comprehensive website for Madhu Dairy Delights, enabling users to order milk products, schedule pickups for farmers, access customer services, FAQs, and utilize live chat support for issue resolution.
